Transfers between portfolio types	Investors may change their chosen product type as they wish (excluding retirement product types). However, any discrepancy between the initial fees paid in the “from” portfolio and the initial fees due in the “to” portfolio will be charged.
Transfers from other LISP’s or Management companies	No Transfer Fee or initial fees will be charged by Equinox. However, switch fees will be charged when switching the transferred funds to other unit trust funds. Retirement products = No Transfer Fee will be charged by Equinox. Also, no initial fees are charged for transfers from another Retirement Annuity, Preservation Pension or Preservation Provident Fund (Section 14 transfer). Please note: the minimum acceptable amount for such transfers is R100 000.
Transfers to other LISP’s or Management companies	No Transfer Fee will be charged by Equinox. Retirement products = No Transfer Fee will be charged by Equinox.

**Initial fees may also be charged by the unit trust companies. Where these are charged Equinox investors benefit by paying wholesale fees which are generally significantly lower than retail fees. View more details on each fund fact sheet under Funds A-Z.

***ANNUAL FEES ARE LEVIED AS A MONTHLY UNIT DEDUCTION FOR EACH MONTH OR PART THEREOF. THE SMALLEST VALUE FUND IN THE PORTFOLIO WILL BE DEBITED, BUT IF YOU HOLD UNITS IN MONEY MARKET FUNDS, THE FEES WILL BE TAKEN FROM THESE FUNDS FIRST. Annual management fees are also charged by the unit trust companies, BUT it is already included in the daily price paid per unit and therefore no separate annual fee is payable to any unit trust company. These vary from fund to fund. View details on each fund fact sheet under Funds A-Z.
